PLAGUE DEPARTMENT.

Sir,

In forwarding herewith copies of correspondence ending with docket No. Pg.627 dated the 11th April 1907 from the Comptroller in Mysore, I have the honor to request that the order requiring Sanitary Inspectors to maintain ponies may be modofied so that bicycle may be allowed, optionally, in towns instead of pony.

2 In the present case the sanitary Inspector may be permitted to draw a bicycle allowance of Rs.10/ in lieu of horse allowance so long as he is temporarily employed on plague duty in the Chikamagalur town.

I have the honor to be,

Sir,

General No. P. 2006

Enclosure No. 4

Requesting that the order requiring Sanitary Inspectors to maintain Ponies may be modified so that bicycle may be allowed optionally in towns instead of Pony

Docket No. 1573 dated the 16th March 1907 from the Deputy Commissioner, Kadur District to the Senior Surgeon and S.C. Bangalore.

I have the honor to state that the Sanitary Inspector of Kadur Municipality who has been doing plague duty in the Chikamagalur Town from the 21st September 06 has been drawing a pay of Rs.30/- together with an allowance of Rs.10/- from the plague funds.

2. As the Sanitary Insrector has been working in Chikamagalur temporarily he could not maintain a pony in respect of the allowance drawn by him and he was allowed to maintain a bicycle instead.

3. The Comptroller to the Government of Mysore in his audit objection statement No.29 dated 20-2-1907 states that the Sanitary Inspector having maintained a bicycle instead of a horse the claim to the allowance cannot be admitted without the sanction of Government.

4. I therefore request you to kindly obtain the order of Government to the effect that the Sanitary Inspector may draw a bicycle allowance of Rs.10/- so long as he will be temporarily working on plague duty in the Chikamagalur town.

Docket No.1684 dated 22-3-07 from the Senior Surgeon and S.C. to the President City Municiral Commission, Bangalore.

Has the honor to enquire what conveyance, if any, the Sanitary Inspector employed in the Bangalore City are maintaining for the efficient discharge of their duties. The favour of an early reply is requested.

Docket No. 2084 dated the 23rd March 1907 from the President, Bangalore City Municipality to the Senior Surgeon and San.Commr.Bangalore.

His docket No.1684 dated the 22nd Instant.

Has the honor to state that the Sanitary Inspector Varada Raju and Assistant Sanitary Inspector Gulam Ali Khan keep ponies while the two newly employed Assistant Sanitary Inspectors Kumaraswami Mudaliar and Gnanakan use cycles.

Sd/M.G.Krishnaswami Rao
Vice President, Municipal Commn.
Bangalore City.

Docket No. 1768 dated the 5th April 1907 from the Senior Surgeon and S.C.Bangalore to the Comptroller in Mysore, Bangalore.

His audit objection statement No.29 dated the 20th February 1907 relating to the Kadur District stating that the Sanitary Inspector of Chikamagalur having maintained a bicycle instead of a horse the claim to the allowance cannot be admitted without the sanction of Government.

---ccOoo---

With reference to the above has the honor to point out that the two newly employed Sanitary Inspectors in the Bangalore City maintain bicycles. It is not clear why the allowance of the Sanitary Inspector in Chikamagalur should be withheld while two men get in the Bangalore City under precisely similar circumstances.

So long as the Sanitary Inspector has got a means of rapidly itinerating his area, it does not seem to matter

much what that means is- whether it be a pony,bicycle or other conveyance. In fact, a bicycle is the most rapid of the three and cheapest for the man to keep up.

P T.O.

Docket No. 627 dated the 11th/12th. April 1907
from the Comptroller in Mysore to the Senior
Surgeon and San:Commr. Plague Deptt.
Bangalore.

His No. 1768P dated the 5th. Instant intimating that the 2 newly employed Sanitary Inspectors in the Bangalore City maintain bicycles and requesting to be informed why the allowance of the Sanitary Inspector at Chickmagalur should be with-held while those in the Bangalore City get it under precisely similar circumstances.

-------&&&&&&&--------

In reply to the above, has the honor to inform that the Sanitary Inspectors employed in the Bangalore City have been authorised by Govt. in Pro. No. 10802-3/Ml. (430 of 1904)-12 dated the 25th. May 1905 to keep a cycle instead of a horse till the date of their confirmation for which a cycle allowance of Rs. 10/- each per mensem has been specially sanctioned. But the claim of the Sanitary Inspector at Chickmagalur is not covered by any such special sanction and the charge in question cannot therefore be admitted without the special sanction of Government.
